FAQ

Frequently Asked Questions

Can I bring my dog to the Rugby Festival?

Yes, dogs on leads are very welcome; however, we ask that dogs are not walked across any pitches. Please note, not all accommodation options allow dogs.

Is the festival site wheelchair friendly?

The site is accessible for wheelchair users, but assistance may be needed in some areas depending on the weather. The main festival area is laid to grass, while the routes from the car park and entrances are all hard standing and have wheelchair access.

Will there be any cash points at the festival site?

No, there will not be any cash points at the Rugby Festival site..

Can we pre-book meals at the Rugby Festival?

Yes. Closer to the festival, we will update this information pack with the menus being offered by the catering company. Once the menus have been added, we will also provide a link where teams can pre-book meals. Any teams or clubs wishing to organise meals for a large group are strongly advised to pre-book, as the caterers get very busy and may not be able to accommodate large orders on the day.

Is there drinking water at the festival?

Yes, there are drinking water taps available on-site. In addition, bottled water can be purchased from vendors.

Are there any toilets and showers on-site?

There are showers available for players. However, due to the large number of teams attending and the limited number of showers, we ask that, where possible, teams arrive in their kits and shower once they return to their accommodation. Toilets are available on-site.

Can we park our own coach on-site?

No, you will not be able to park your own coach on-site. Your coach may drive up to the entrance of the site to drop players off and collect them from the Bus Bay Area, which is reserved for coach transfers. Coaches cannot wait or park at the Rugby Festival site.

Will there be accessibility parking on-site?

Yes, there will be parking for vehicles displaying an accessibility badge in front of the leisure centre, immediately next to the Rugby Festival site. However, please note there are limited spaces in the designated accessibility car park.
